

THE DEER VALLEY SKI-IN/SKI-OUT CONNECTION

An exclusive arrangement with the world class hotel resort, Stein Eriksen Lodge, provides PMCC members with on-the-mountain access to Deer Valley skiing during the winter and additional amenities year-round.

- During ski season, Park Meadows Members will enjoy use of private ski lockers and valet parking at Stein Eriksen Lodge. These lockers are limited and are reserved in advance of the ski season.
- Additional ski locker reservations are available on a daily or weekly basis. Locker reservations come with valet parking, and are scheduled through the Club on a first-come, first-served basis.
- PMCC members receive the same preferred status for reservations that is otherwise available only to Stein Eriksen Lodge owners and guests. This preferred status allows Members to receive discounts in hotel restaurants and shops, to make advance reservations for lunch during the ski season, and to have access to the hotel's private spa, fitness center and other facilities.
- Upon request, the Club will schedule special private events in conjunction with Stein Eriksen Lodge, such as our popular "Tuesday Bluesday" Members-only ski days. These private groups will receive special discounts in the restaurant.
